1. "A" STEP. The "A" or first step salary level will be the minimum rate and normally shall be the starting or hiring rate. In special cases when it is merited by experience, education, training or other qualifications, the City may approve the hiring of a candidate for employment at a higher level.
2. "B" STEP. The "B" or second step salary level may be granted to an employee after satisfactory completion of twelve (12) calendar months of service during the probationary period. B. SALARY PLAN ADMINISTRATION

1. Association members shall normally receive salary compensation on a bi-weekly basis with direct deposits, pay checks and pay stubs being distributed on Friday. Association members are strongly encouraged to utilize direct deposit to receive bi-weekly compensation. Each bi-weekly pay period shall normally extend from 12:01 a.m. on the Sunday before a normal payday through 12:00 a.m. on the Saturday following a normal payday. For Association members scheduled to work

a 9/80 work schedule, each bi-weekly pay period shall normally extend from 12:01 p.m. on the Friday before a normal payday through 12:00 (noon) on the Friday following a normal payday.

2. An employee will not receive any compensation of any type while on leave of absence without pay or while absent from duty without official leave.
3. If the salary range for a particular job classification is either increased or decreased, the City agrees to meet with the Association to determine appropriate placement on the salary range.
4. The City may accelerate salary step advancement for individual employees at its discretion.
5. To maintain any given salary step level, an employee must continue to maintain a fully satisfactory level of performance. All employees shall receive at least one (1) annual written department evaluation. Additionally, the City may, at any time, assess an employee's performance by conducting an evaluation. If any such written departmental performance evaluation does not demonstrate an employee's continued successful performance, that employee may be reduced in salary step level or demoted in job classification. Any such reduction will be re-evaluated, at the City's discretion, after a specified period of time not exceeding one (1) year.
6. **EVALUATION DATE DEFINED:** The date on which an employee is to receive a performance evaluation in accordance with the salary step plan and the probationary period. Any change in an employee's job classification shall be considered as an appointment which establishes a new Evaluation Date.
 - a. This definition shall be utilized, as appropriate, throughout this Agreement unless specifically provided otherwise.
 - b. The Evaluation Date for any employee not present for duty nor in a pay status for one (1) or more full pay period(s) shall be advanced that number of pay periods.

C. THE PROBATIONARY PERIOD

1. **DEFINED.** The probationary period is a working evaluation period following an employee's appointment to the City service, or appointment to a new job classification, except by virtue of a reclassification, within the City service. Such a period may be extended by the City as a result of an employee's poor performance evaluation. The length of the probationary period shall be for twelve (12) calendar months unless otherwise specified by the City. This change is prospective and will not affect those employees hired or promoted into a classification represented by this Association prior to the Council's adoption of this MOU.

2. Any appointment to, or within, the City service, except by virtue of a reclassification, shall not be deemed to be permanent until the successful passage of an employee's probationary period. Such probationary period shall be considered as part of the employee's examination process during which the City may reject any probationary employee whose performance or qualifications do not fully meet the required standards of employment.
3. Any appointment to the City service shall be tentative and subject to the probationary period during which any newly appointed employee may be discharged by the City without right of appeal, if during such probationary period the City deems the employee unfit or unsatisfactory for permanent appointment.
4. Any appointment within the City service shall be tentative and subject to the probationary period during which any newly appointed employee may be rejected by the City without right of appeal, if during such probationary period the City deems the employee unfit or unsatisfactory for permanent appointment.

D. TRAINEE LEVELS

The City may, at its discretion, establish trainee salary range levels and/or job classifications.

E. TEMPORARY EMPLOYEES

Temporary employees who are employed eight hours per day shall be employed for a period not to exceed six (6) months in a fiscal year or, if hired to fill a vacancy created by an authorized leave of absence of a permanent employee, such employment shall not exceed the length of the authorized leave. Newly hired temporary employees shall receive a letter from the Human Resources Department regarding their status.

1. After filling a temporary position for more than six (6) months, the temporary employee shall be entitled to receive leave benefits, retirement benefits, and health benefits in the same manner as permanent employees.
2. If the position in which the temporary employee is serving becomes designated a vacant permanent position and the employee has served six (6) months, the temporary employee shall be placed on the eligible list for appointment to the vacant permanent position provided such person meets the minimum qualifications for the classification.
3. Temporary employees serving in vacant positions due to authorized leaves of absences shall be entitled to receive the benefits referred to in (1) above once the authorized leave of absence expires provided the employee has served at least six (6) months.

F. ACTING APPOINTMENT

The City may, at its discretion, appoint an employee to an acting capacity in a job classification different than the one currently held by the employee. The employee shall receive any salary range increase which may be attendant to such acting service only after eighty (80) consecutive work hours of City-recognized successful service in such acting capacity (sick leave, vacation and other accrued leaves will not be included in the initial eighty hour requirements). Employees appointed to an acting capacity shall only be required to complete the eighty (80) consecutive work hour requirement, for the same acting capacity, once per calendar year to be eligible to receive the salary range increase. Any salary range increase provided to an employee shall be determined in accordance with the promotion provisions of this Agreement. Service in an acting capacity shall not continue for a period of time exceeding nine hundred sixty (960) hours in a fiscal year nor be considered in establishing an employee's Evaluation Date for the purpose of applying the salary step plan. The 960 hour limitation will not apply to employees in an Acting Appointment who are filling in for an employee who is on a temporary leave of absence. Such Acting Appointments will be limited to a period of time not to exceed one hundred eighty (180) days.

G. RECLASSIFICATION

The City may, at its discretion, reclassify any job within the City service to accommodate materially changed job duties not anticipated in the original classification which are assigned or directed to be performed by the City, but not to include duties voluntarily assumed by any employee.

1. **RECLASSIFICATION DEFINED:** A reclassification is a change in job description and/or job title of a position within the City service to accommodate materially changed job duties not anticipated in the original classification which are assigned or directed to be performed by the City, but not to include duties voluntarily assumed by an employee. Salary range level increase or decrease may, at the City's discretion, accompany a reclassification. Position reclassification is neither promotional nor demotional.
2. **RECLASSIFICATION PROCESS:** Reclassification claims for an employee may be submitted by the Association, the employee or department management to the City's Human Resources Department no earlier than October 1 and no later than October 31 of each year. Any reclassification changes that are recommended by the Human Resources Department shall be submitted for consideration during budget deliberations. Those reclassifications that are approved by the City Council shall take effect in the first pay period in July.

H. H-RATING

The City may, at its discretion, H-Rate any employee in the City service. Such action shall not take effect until any employee has had fifteen (15) calendar days advance notice. Upon request the City shall meet with an employee and/or the employee's representative concerning the impact of the City's decision to apply an H-Rate.

H-RATING DEFINED. H-Rating shall mean that the salary range for the affected employee shall remain the same until the employee's salary range equals or exceeds the H-Rating level.

I. PROMOTION

The City may, at its discretion, promote any employee to a different job classification within the City service having more responsible duties, and/or higher job qualifications, and/or a higher salary range level. Upon promotion, including continuum advancements, any employee shall receive a minimum salary increase equivalent to one (1) salary step in the employee's current (pre-promotional) job classification, provided that such increase shall be at least equivalent to the minimum and shall not exceed the maximum salary range level established for the new job classification. A promotion shall establish a new Evaluation Date for purposes of applying the salary step plan. Any promotional appointment shall be tentative and subject to the probationary period. Any employee rejected during such probationary period shall be reinstated to the job classification held prior to the promotion, unless the employee is discharged from the City service as provided in this Agreement.

J. DEMOTION

The City may, in accordance with this Agreement, demote any employee to a different job classification within the City service having less responsible duties, and/or lower job qualifications, and/or a lower salary range level. Upon demotion, any employee shall receive a minimum salary decrease equivalent to one (1) salary step in the employee's current (pre-demotional) job classification, provided that no employee shall receive a salary which exceeds the maximum salary range level established for the new job classification. A demotion shall establish a new Evaluation Date for purposes of applying the salary step plan and may reinstitute the probationary period. Prior to an employee being demoted for disciplinary reasons, the employee shall be accorded all due process rights to which the employee is entitled, including but not limited to, advance notice of the action, a Skelly hearing and all other due process rights in accordance with current laws and the Personnel Rules and Regulations.

K. CONTRACTUAL EMPLOYEES

No contractual employee who is assigned to a unit position on a temporary or permanent basis shall act as a supervisor or lead worker to other employees covered by this Memorandum of Understanding.

VI. COMPENSATION

All employees shall be compensated as follows:

A. SALARY

All Association members shall be compensated pursuant to the City of Oceanside Salary Schedule.

B. OVERTIME PAY

- 1. The City may assign employees work in excess of the normal, regularly scheduled forty (40) hour work week which shall be compensated at the rate of one and one-half times (1½) the employee's regular hourly rate of pay as overtime pay or at the rate of one and one-half times (1½) the hours worked as compensatory time.**
- 2. All overtime work shall be authorized in advance by an employee's appropriate immediate supervisor, or no compensation shall be provided.**

All authorized overtime work shall be compensated at either one and one-half times (1½) the employee's regular rate of pay or one and on-half (1½) the hours worked in compensatory time in lieu of cash overtime. Employees will select the method of payment for overtime earned.

3. Authorized sick leave, scheduled vacations and holidays where an employee is in an authorized pay status shall be considered as time worked in establishing the employee's normal regularly scheduled forty (40) hour work week.
4. Compensation as provided herein above shall not be granted to any employee for services for which the employee has been otherwise compensated. For purpose of this section, compensation for paid time off shall not be considered as compensation for services rendered.
5. Nothing hereinabove shall be construed to be a guarantee of a minimum work week for any employee.
6. An employee may accrue a maximum of one hundred (100) hours of compensatory time off.

The employee shall be permitted to schedule the use of compensatory time off provided the employee requests the time off at least two work days in advance and the requested time off will not unduly disrupt the operation of the office or department. If no alternative date is available, the employee shall be paid in cash in lieu of receiving time off.

7. Compensatory time off may be used in ½ hour increments.
8. An employee may cash out any accrued compensatory time off once each quarter upon a written request to the Payroll Supervisor in the Finance Division. 6. The task may require the employee to send an email or make a phone call based on the protocol in place for the task.

In these cases, the employee shall be paid a minimum of one (1) hour of overtime at (1 ½) time and a half. Should the task require more than one (1) hour, the employee shall

receive OT or CTO, agreed upon by the employee and the immediate supervisor for the duration of the task. Any non-exempt employee required to work longer than one (1) hour after initiating the task shall receive overtime pay as provided in this MOU. Upon separation of any type, other than by disciplinary discharge, and following ten (10) continuous years of City service, an employee may be paid fifty percent (50%) of the employee's accrued sick leave up to a maximum payoff level of 600 hours or may apply a portion of or the entire accumulated sick leave accrual balance to PERS service credit at the employee's option. Such reimbursement shall be at the employee's salary rate at the time of separation and shall reduce the employee's accrued sick leave by the number of hours cashed out.

- c. Each calendar year, an employee may elect to receive payment in lieu of accrued sick leave provided such employee has used thirty-two (32) hours or less of sick leave during the period. An eligible employee shall notify the City of the desire to receive such payment prior to the last working day in November of each calendar year. Employees electing to receive payment in lieu of accrued sick leave shall receive such payment on the paycheck prior to the Christmas holiday. An employee receiving such pay shall receive, at the then-current salary rate, pay for 50% of the number of hours of sick leave accrued less those hours used for the calendar year period. The employee's accrued sick leave shall be reduced by the number of sick leave hours for which pay is provided.

step parents, brothers or sisters; and other members of the employee's family residing in the employee's home.

3. Upon approval of the Department Director, an additional two (2) days of bereavement leave may be granted. These two (2) days, if granted, shall be chargeable to sick leave.

4. All holiday credit accrued between January 1 and June 30 must be scheduled and taken by the employee by June 30. If the time is not scheduled and taken by June 30, the employee shall be paid for any such hours at the employee's hourly rate on the second scheduled payday after June 30 and the hours shall be subtracted from the employee's accrual balance. All holiday credit accrued between July 1 and December 31 must be scheduled and taken by the employee by December 31. If the time is not scheduled and taken by December 31, the employee shall be paid for any such hours at the employee's hourly rate on the second scheduled payday after December 31, and the hours shall be subtracted from the employee's accrual balance.

Columbus Day, State wide Election Day, and other holidays that may be celebrated by employees. All employees will be credited with forty-eight (48) floating holiday hours in the pay period in which July 1 falls each year. The hours shall not exceed forty-eight (48) and unused hours from the prior year shall have no cash value. Floating holiday hours cannot be utilized for the donation to catastrophic leave banks. Floating Holiday hours shall not be paid out to employees who voluntarily leave employment during their initial probation as a City employee.

- e. Accrued vacation leave shall not be credited to any employee prior to the successful completion of first six (6) full calendar months of the employee's original twelve (12) month probationary period. Following the successful completion of the first six (6) months of probationary employment, the probationary employee will be granted vacation leave pursuant to the provisions of subsection a-d above.

2. VACATION ACCRUAL

- a. **VACATION ACCRUAL RATES.** All employees shall accrue vacation leave on the basis of the number of regular hours worked in the City service and all hours spent in a paid leave status from regular duties, excluding any time worked as overtime or special time as provided below. Such accrual shall take place on a pay period basis.

4. HOLIDAY OCCURRING DURING VACATION

In the event that a holiday recognized in this Agreement occurs during an employee's scheduled vacation leave, such holiday shall not be considered as vacation leave used by the employee.

H. MILITARY LEAVE

The City's Administrative Directive (AD-70), in conformance with the Uniformed Services Employment and Reemployment Act (USERRA) and the State Military and Veteran's Code, shall govern the City's granting and an employee's use of military leave.

I. LEAVE OF ABSENCE WITHOUT PAY

1. Any employee who has successfully completed the original probationary period may submit to the appropriate immediate supervisor a written request for leave of absence without pay for a period not exceeding one (1) year for the specific purpose of obtaining improved job training, or recuperating from an extended illness for which sick leave is not available, including maternity leave, or for attending to urgent personal affairs. Use of a leave of absence without pay for a purpose other than that requested shall be considered as an employee's automatic resignation from the City service. No leave of absence without pay shall be utilized to permit an employee to seek other employment or to permit an employee to engage in non-City employment. The City shall have sole discretion to approve or disapprove any such request. Approval for leave without pay in excess of thirty (30) calendar days must be referred to the City Manager for approval; leaves of less than thirty (30) days must be referred to the department director for approval.
2. Any employee having been granted a leave of absence without pay and not reporting for work promptly upon its expiration shall be considered to have automatically resigned from the City service.

J. LEAVE FOR JURY DUTY

Any employee called to serve as a juror shall receive compensation from the City for the difference between the pay received as a juror, except payment for mileage, and the employee's regular salary that would have been received but for jury duty.

K. FAMILY AND MEDICAL LEAVE POLICY

The City of Oceanside Family and Medical Leave Policy shall govern the granting and employee use of family and medical leave.

VIII. SEPARATION FROM CITY SERVICE

Separation of an employee from City service may be accomplished in any of the following manners:

- A. Completion of work assignment or project.
- B. Resignation, which may be either deliberate or automatic. Any deliberate resignation shall be submitted to the appropriate immediate supervisor at least seven (7) calendar days prior to an employee's actual separation from the City service.
- C. Retirement, which may be either deliberate or by virtue of disability.
- D. Layoff as provided in Section VIII of this Agreement.
- E. Discharge as a result of disciplinary action as provided in this Agreement.
- F. Death.

IX. LAYOFF AND RECALL POLICY

A. SCOPE AND PURPOSE

Whenever it becomes necessary, in the judgment of the City, due to lack of work, lack of funds, or other legitimate economic reasons, or because the necessity for a position no longer exists, the City may abolish any position or employment, and the employee holding such position or employment may be laid off without disciplinary action and without the right to appeal the concept of the lay off, except as provided herein. This procedure shall not be used for disciplinary reasons. It is also understood that employees and the Association expressly reserve the right to grieve alleged violations of the layoff procedure and/or allegations that the procedure, as applied to a particular employee, has been used for disciplinary reasons.

B. PROCEDURE

Layoff of any employee shall be made in the following order:

1. Employees shall be laid off by classification in the reverse order of departmental seniority, with temporary, then probationary employees being laid off before permanent employees.

A permanent employee who is subject to layoff shall have the right to displace within the department any temporary and/or hourly extra-help employee in a lateral or lower classification in which he/she is qualified. Such employee shall be a temporary or extra-help/hourly employee in the new position but shall retain his/her reemployment rights to the permanent position.

2. In the event that two or more employees in the same classification have the same departmental seniority, then layoff shall be made on the basis of City seniority.
3. In the event that two or more employees in the same classification have the same departmental and City seniority, then layoff shall be made on the basis of the employees' job performance as determined by the City Manager or his/her designee.

4. In determining departmental seniority within a department which has been merged with or split from another department, the Human Resources Director's decision on departmental seniority calculation shall be final.
5. The only exception to the above-described order shall be where an employee within an affected classification has an identified exceptional skill, knowledge or ability particular to the work being performed and which more senior employees do not possess. The determination that such an employee has such a particular skill, knowledge or ability may be made only by the City Manager. Any employee who would not have been laid off but for such a determination by the City Manager may appeal the validity of such determination beginning with Step 4 of the Grievance Procedure.

C. NOTICE OF LAYOFF

The City shall give all affected employees and the Association at least thirty (30) calendar days written notice of any impending layoff, except in the event of an emergency situation, the City shall give no less than ten (10) calendar days notice. If the City fails to give an affected employee the required notice, the employee shall be entitled to payment of regular wages in lieu of such notice for each additional day the employee would have been in a paid status had he or she received the required notice. In no case will an employee receive in excess of one calendar month (ten calendar days in case of emergency) of regular wages. The notice shall include the following:

1. The effective date of the layoff.
2. The reason for the layoff.
3. The job classification, if any, within the employee's present department into which the employee may retreat as otherwise provided in this procedure.
4. The vacancies in job classification, if any, in other departments into which the employee may retreat as otherwise provided in this procedure.
5. The rules governing recall.
6. The availability of Human Resources Department staff to assist the employee in seeking other employment.

D. TRANSFER TO AVOID LAYOFF

Prior to implementing any layoff, the City will transfer an affected employee to a vacancy in an equivalent job classification in the same department or another department, provided the affected employee possesses the skills necessary to perform the new job.

E. LAYOFF DUE TO CONTRACTING FOR SERVICE

If a permanent City employee is laid off due to the City's contracting for the services performed by said employee, the City agrees to notify the employee and the employee's Association representative at least thirty (30) days prior to the effective date of the layoff. The City further agrees to assist any employee subject to layoff due to the aforementioned procedure in finding similar employment for which the employee is qualified.

F. RETREAT

1. An employee affected by layoff shall have retreat rights to displace an employee in the same department who has less seniority in a lower class in the same class series, or in a lower classification in which the affected employee once had permanent status during the current length of employment. In order to retreat to a lower or former class, an employee must request such retreat action in writing to the Human Resources Department within ten (10) calendar days of receipt of the notice of layoff. Employees retreating to a lower or former class shall be placed at the salary step representing the least loss of pay. In no case shall the salary be increased above that received in the class from which the employee was laid off. Employees retreating to a lower or former class shall serve a probationary period in the new class unless they have previously successfully completed a probationary period in the class.
2. An employee who is not eligible for retreat rights within the same department in which he/she is currently employed, as described above, and who has previously served in another City department, may displace an employee of such previous department who has less seniority in that department. Any such displacement shall only take place in the same classification that the affected employee currently holds, in a lower class in the same class series as that one currently held, or in a lower classification in which the affected employee once had permanent status. In order to retreat to a lower or former class, an employee must request such retreat action in writing to the Human Resources Department within ten (10) calendar days of receipt of the notice of layoff. Employees retreating to a lower or former class shall be placed at the salary step representing the least loss of pay. In no case shall the salary be increased above that received in the class from which the employee was laid off. Employees retreating to a lower or former class shall serve a probationary period in the new class unless they have previously successfully completed a probationary period in the class.
3. Any retreat right exercised under this procedure shall establish a new Evaluation Date for the affected employee.

G. REEMPLOYMENT

1. The names of persons laid off in accordance with this procedure shall be entered upon a Reemployment List. Such lists shall be on the basis of job classification. If the affected job classification is utilized in only one department, then former employees shall be placed upon the Reemployment List for that job classification in the inverse order of their layoff date. If the affected job classification is utilized in more than one department, then former employees shall be placed upon the Reemployment List for the job classification according to descending City seniority first and then descending classification seniority in the event that two (2) or more employees have identical City seniority. If two (2) or more employees have identical City and classification seniority, then the employees shall hold the same position on the Reemployment List. The list shall contain the name of the former employees; the former employees' departmental, City and classification seniority; and the former employees' date of layoff. Names of persons laid off from different departments or different layoff dates shall be combined into a single list.
2. In the event that the job classification from which a former employee has been laid off no longer exists, then the former employee shall have the opportunity to qualify for other reemployment lists for different job classifications. A former employee's eligibility for any particular recall list in such circumstances shall be determined by the City's standard hiring practices for that position. A laid off employee shall notify the Human Resources Department within ten (10) calendar days of his/her layoff for which positions, if any, he/she desires to attempt to qualify.
3. The Reemployment List shall be made an addendum to any existing regular eligible list for each affected job classification for a period of twelve (12) months from the date of layoff. If no regular eligible list exists, the Reemployment List shall be used to establish a new eligible list. Such Reemployment List shall be considered by any appointing authority in filling a vacancy which arises in the same or lower job classification before consideration of an eligible list.
4. When a vacancy arises in a job classification for which a Reemployment List exists, the Human Resources Department shall immediately notify those former employees whose names appear on the list. Such notification shall be by registered or certified mail sent to the employee's last address of record on file in the Human Resources Department. It shall be the responsibility of the former employee to keep the Human Resources Department informed of any address changes. Within ten (10) calendar days after receipt of the notice of vacancy, a former employee must inform the Human Resources Department of his/her availability and intention to accept re-employment, if offered. The names of all former employees on a Reemployment List willing to accept employment shall be certified to the appropriate appointing authority for consideration for re-employment. Such names shall be certified in the order in which they appear on

the Reemployment List. No other applicant on any other eligible list shall be considered for appointment to the vacancy until all former employees on the reemployment list have been considered for appointment.

5. Upon reemployment, the former employee's salary shall be established at the salary step level held at the time of layoff and the evaluation date for use in accordance with the salary step plan shall be the date on which reemployment begins, less any time previously spent at that step in that class, so that the employee is credited with time previously spent at the step they were in before layoff. A reemployed employee shall be entitled to credit for all unpaid sick leave accrued prior to layoff and shall accrue vacation and sick leave at the same rate and maximum limitation such accruals were made at the time of the layoff.

H. SEVERANCE PAY

Employees who are laid off and separated from City service shall be entitled to severance pay in the amount of one (1) week base salary for each year worked with a cap of four (4) weeks.

X. INDUSTRIAL INJURIES AND ACCIDENTS

A. DEFINITION

The State Workers' Compensation laws and this Agreement shall govern all aspects of duty-related injuries, illnesses and accidents.

B. INJURY AND ILLNESS REPORTING

1. Any duty-related injury or illness which requires medical treatment shall be reported to the immediate supervisor by any injured or ill employee as soon as possible thereafter. Employees are also responsible for completing the on-line injury report and forwarding it to their supervisor on the day of the injury if possible.
2. Any duty-related injury or illness which does not require medical treatment shall be reported to the appropriate immediate supervisor by any injured or ill employee by the end of the work day schedule in which the injury or illness occurred, or as soon as possible thereafter. Employees are also responsible for completing the on-line Injury Reporting System report and forwarding it to their supervisor on the day of the injury before leaving for the day if physically able. If employee's immediate supervisor is not available (e.g., vacation, etc.), it should be forwarded to the supervisor's designee.

C. ACCIDENT REPORTING

1. Any duty-related injury or property damage shall be reported to the appropriate immediate supervisor by any accident-involved employee as soon as possible.
2. Any duty-related accident which does not result in any injury or property damage shall be reported to the appropriate immediate supervisor by any accident-involved employee by the end of the workday schedule in which the accident occurred, or as soon as possible thereafter.
3. Supervisors shall report the accident details to the Risk Management Division of the Human Resources Department by the end of the work day by phone or email.

D. MEDICAL TREATMENT FOR INJURY OR ILLNESS

Any employee suffering any duty-related injury or illness which requires either immediate or continued medical treatment shall immediately seek such treatment from a City-approved physician or medical facility, except as provided herein.

1. If an employee has notified the City in writing prior to the date of injury that the employee has a personal physician as defined in state law, then the employee shall have the right to be treated by such physician from the date of injury. After the date the illness or injury is reported, the employee may select a physician from the Medical Provider Network.

E. ABSENCE FOR INDUSTRIAL INJURY OR ILLNESS

1. Any employee suffering a duty-related injury or illness which prohibits that employee from the performance of regular job duties may request an absence from duty. Such request shall be submitted in the form of a Workers' Compensation claim through the on-line Injury Reporting System. Upon the acceptance of any such claim by the City or the State Workers' Compensation Appeals Board, the employee shall be granted an absence from duty. Any dispute regarding any such claim shall be resolved through the State Workers' Compensation Appeals Board process.

XI. STANDARDS OF CONDUCT

- A. Employee misconduct may be cause for disciplinary action including, but not limited to: reprimand, reduction in pay, demotion, suspension with or without pay, or discharge. Such misconduct shall include, but not be limited to, any of the following:

1. Commission of an act which results in a criminal conviction and constitutes a misdemeanor or infraction involving moral turpitude, or a felony.
 2. Unauthorized use or possession of City property or equipment.
 3. Causing damage to or waste of public property through misconduct or negligence.
 4. Unauthorized or excessive absence from regularly assigned duties.
 5. Frequent and unexcused tardiness in reporting to regularly assigned duties.
 6. Use of fraud or material misrepresentation but for such fraud or material misrepresentation the employee would not have secured employment.
 7. Use of an employee's official position or office for personal gain or advantage.
 8. Deliberate dishonesty related to the performance of an employee's duties.
 9. Accepting favors or gratuities in return for services required to be performed as a part of the employee's official duties and responsibilities.
 10. Discourteous treatment of the public or other City employees.
 11. Failure to carry out assigned duties promptly, adequately or efficiently.
 12. Insubordination.
 13. Intentional or negligent act or omission which adversely affects, or threatens to adversely affect, the safety of the employee or others.
 14. Failure to observe and comply with this Agreement or City or departmental rules and regulations.
 15. Use, possession, or being under the influence of any alcoholic beverage while on duty.
 16. Being under the influence of any drug which interferes with the performance of any employee's regular job duties.
 17. Use or possession of any illegal drug while on duty.
 18. Other serious or socially reprehensible conduct either during or outside of duty hours which is of such a nature that it causes serious discredit to the employee's department or the City.
- B. No employee shall be discharged for a minor violation of the standards of conduct delineated hereinabove as XI.A.11. or XI.A.14. without first having received a prior written warning concerning a related or similar violation.

XII. DISCIPLINE

- A. Full authority for discipline is retained by the City. The City agrees, however, that employees will be disciplined only for just cause.
- B. Prior to the imposition of any discipline, excluding reprimand of any classified, permanent employee, the following procedure shall be utilized.
 - 1. The employee shall be given written notice of the disciplinary action including a statement of the reason therefore. Service of such notice shall be considered complete upon the personal delivery of such notice in the U.S. Mail, first-class postage prepaid, addressed to the employee's latest known address on file in the Human Resources Department of the City.
 - 2. The notice of disciplinary action must also include a copy of the charges of misconduct and, whenever practical, a copy of the material or documents upon which the charges are based. If it is impractical to provide the employee with a copy of such materials or documents, the employee and/or his/her representative shall be allowed reasonable time to review such materials or documents and the notice of disciplinary action shall set forth the procedure for such a review.
 - 3. The employee shall be given the right to respond to the proposed discipline either orally or in writing to the appropriate City appointing authority. The City shall give the employee a reasonable time to submit his/her response and in no event shall such time period be less than forty-eight (48) hours from the completion of service of the notice of disciplinary action.
 - 4. An employee waives all rights to informally respond to the proposed discipline if he/she fails to submit such response within the time limit established by the City.
 - 5. Following either the submission of the employee's informal response to the disciplinary action or the waiver of such right, the appropriate City appointing authority shall either impose, or modify, or not impose the proposed discipline, as the situation warrants. Any discipline so imposed shall not be stayed by the initiation of a grievance by the employee as provided for herein.
- C. Notwithstanding the provisions of Section XII.B. hereinabove, any discipline which, in the judgment of the appointing authority, must be imposed immediately to protect the health, safety, or welfare of the community or other City employees may be summarily imposed without affecting the predisciplinary procedure of Section XII.B. Such procedure shall be completed, however, within five (5) working days of the imposition of the discipline.
- D. A grievance of discipline must be initiated by the employee within five (5) working days after the notice of discharge, demotion or reduction in pay, or the initial date of

suspension, whichever date is earliest, should a combination of discipline apply, or in the case of discipline imposed under Section XII.C., after the completion of the informal response procedures. Failure to initiate a grievance within such time limit shall constitute a waiver by the employee of all rights to grieve such discipline hereunder.

- E. All disciplinary grievances shall be initiated at Step 3 of the Grievance Procedure delineated herein except grievance of disciplinary action involving reprimand which shall be initiated at Step 1. Verbal reprimands may only go to Step 3.
- F. Written Reprimand: A Department Director or his/her designee may reprimand an employee by furnishing the employee with a written statement of the specific reasons for the reprimand and notification that unless improvement occurs immediately, further disciplinary action may result. A copy of the reprimand shall be filed in the employee's department file, but will not be maintained in the central personnel file in the Human Resources Department. If an employee's performance is satisfactory and the employee does not receive any form of disciplinary action in the twenty-four (24) months following receipt of the written reprimand, then written reprimand will be removed from the employee's departmental personnel file at the employee's written request. However, if the employee's performance is not satisfactory or if the employee receives any form of disciplinary action in the twenty-four (24) month period following receipt of the written reprimand, the written reprimand shall remain part of the permanent personnel file and may be included in any subsequent disciplinary action.

Written Reprimands shall only be appealed to the City Manager or designee and are not subject to the grievance procedures.

XIII. GRIEVANCE PROCEDURES

A. DEFINED

A grievance is an alleged violation of a specific clause of the Agreement. Matters for which another method of review are provided by this Agreement, by Resolution, by Ordinance, by Charter, or by State Law shall be excluded from this procedure.

B. PROCEDURE

All grievances shall be presented in the following manner:

1. STEP 1. The aggrieved employee, who may be represented by another person, shall present the facts relative to the grievance to the appropriate immediate supervisor in writing within thirty (30) working days of the date on which the grievance arises, except as provided otherwise in this Agreement. Prior to filing any such written grievance every effort will be made to resolve the matter

informally. The supervisor shall render a decision in writing to the grievant within five (5) working days from the day the grievance is presented.

2. STEP 2. If the grievance is not resolved in STEP 1, the grievant may appeal it to the Department Head within ten (10) working days from the date a decision was rendered in STEP 1, above. Such appeal shall be in writing, and shall include: a statement of the grievance and the facts relative to it; a statement of the alleged violation of the Agreement; and a statement of the remedy requested. Within ten (10) working days of receiving such appeal, the Department Head shall arrange a meeting between himself/herself, the aggrieved employee, the employee's representative (if applicable), and a representative of the Human Resources Department to review the grievance. The Department Head shall render a written decision on the grievance within ten (10) working days after the meeting.
3. STEP 3. If the grievance is not resolved in STEP 2, the grievant may appeal it in writing to the City Manager within five (5) working days from the date a decision was rendered in STEP 2, above. The City Manager, or designated representative, must arrange a meeting between those affected before rendering a decision. The decision shall be rendered within twenty (20) working days of the filing of the appeal.
4. STEP 4. If the grievance is not resolved in STEP 3, the grievant may submit it to an advisory arbitrator by filing a written request to do so with the City Manager within five (5) working days from the date a decision was rendered in STEP 3, above.
 - a. The City Manager shall request a panel of seven (7) advisory arbitrators from the California State Conciliation Service within fifteen (15) working days of receiving such a request. The advisory arbitrator shall be selected to hear the grievance by alternately striking names from such a panel beginning with the aggrieved employee.
 - b. The advisory arbitrator shall issue subpoenas to compel the attendance of witnesses if such be necessary at the request of either party.
 - c. The hearing shall be recorded by a certified shorthand reporter or tape recorder as agreed by the parties. Expenses for such recording services shall be borne equally by the City and the employee, provided, however, that each shall be responsible for any specialized or extraordinary service they might individually request.
 - d. In rendering a recommendation, the advisory arbitrator shall be limited to the express terms of the Agreement and shall not have the power to modify, amend, or delete any terms or provisions of this Agreement. Failure of either party to insist upon compliance with any provision of this Agreement at any given time or times under any given set or sets of circumstances shall not

operate to waive or modify such provision, or in any manner whatsoever to render it unenforceable, as to any other time or times as to any other occurrence or occurrences, whether the circumstances are, or are not, the same.

- e. The fees and expenses of the arbitrator shall be shared equally by the parties involved, except that if either party rejects the advisory decision of the arbitrator, that party must pay the entire cost of the arbitrator's fees and expenses. All other expenses and costs incurred by the parties during arbitration shall be the responsibility of the individual party incurring the same.
- f. The time limits in this procedure may only be waived by mutual agreement of both parties, in writing.

C. WORKING DAYS DEFINED

As used in this procedure, the term "working days" shall mean regular work days Monday through Friday between 7:30 a.m. and 4:30 p.m., except holidays on which the City administrative offices are closed to the public. For employees working a 9/80 work schedule, the term "working days" shall mean regular work days Monday through Friday between 7:30 a.m. and 5:30 p.m., except holidays and Fridays on which the City administrative offices are closed to the public.

XIV. NO STRIKE CLAUSE

- A. It is agreed and understood that there will be no concerted strike, sympathy strike, work stoppage, slow-down, obstructive picketing, or concerted refusal or failure to fully and faithfully perform job functions and responsibilities, or other concerted interference with the operations of the City by the Association or by its officers, agents, or members during the term of this Agreement. Compliance with the request of other labor organizations to engage in such activity is included in this prohibition.
- B. The Association recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and to make every effort toward inducing its members to do so. In the event of the following concerted activities such as a strike, sympathy strike, work stoppage, slow-down, or obstructive picketing, the Association agrees in, good faith, to actively take affirmative action to cause those employees to cease such action.
- C. It is agreed and understood that any employee concertedly violating this article may be subject to disciplinary action, up to and including discharge, and/or may be considered to have resigned automatically from the City service. For the purpose of this article, any employee deemed to have resigned automatically shall be eligible to utilize the Grievance Procedures as provided in this Agreement.
- D. It is understood that in the event this article is violated, the City shall be entitled to withdraw any rights, privileges, or services provided for in this Agreement or any

2. BENEFITS FOR PART-TIME EMPLOYEES

The following is a listing of benefits for part time benefited employees within the Oceanside City Employee's Association bargaining unit. This comprises a conclusive list of benefits.

Vacation: Part time benefited employees will accrue vacation at the same accrual rate as permanent employees as defined in the OCEA MOU with a cap of two hundred (200) hours.
Part time employees will only accrue vacation for hours worked on their normal assigned work schedule.

Holiday: Part time employees will receive forty (40) hours of holiday hours per year. These hours will be credited on July 1st of each year. The hours shall not exceed forty (40) and unused hours from the prior year shall have no cash value. The use of holiday hours will not be authorized to increase an employee's normal work schedule.

Sick Leave: In Accordance with AB1522; Healthy Workplaces/Healthy Families Act of 2014, part time benefited employees will accrue sick leave at the rate of one (1) hour per every thirty (30) hours worked beginning on the first day of employment or July 1, 2015, whichever is later with an accrual cap of twenty-four (24) hours per fiscal year. Accrued sick leave may be used on the 90th day of employment and a maximum of twenty-four (24) hours may be used each fiscal year. Accrued sick leave can carry over to subsequent years with an accrual cap of forty-eight (48) hours. Use of Sick leave shall be in accordance with Section VII (C) (1 and 2) of this MOU. All provisions of AB1522 shall apply, including compensation of accrued sick leave upon termination, resignation, retirement, or other separation from employment.

Other Leaves: Part time benefited employees shall be eligible for bereavement leave and jury duty under the same provisions as full time benefited employees.

Compensatory time: Part time benefited employees shall be eligible for compensatory time under the same provisions as full time benefited employees, only after they have worked in excess of forty (40) hours in a pay period.

Medical/Dental/Vision Insurance:

The City shall contribute toward the medical/vision insurance offered by the Fund for the employee and eligible family members in an amount in compliance with the Affordable Care Act (ACA) which requires that insurance for the least expensive medical plan be offered to employees and that they are not required to pay more than the Federal Poverty Level

for medical insurance. The Federal Poverty Level is adjusted annually by the U.S. Department of Health and Human Services. The City shall adjust the contribution rate for Part-Time employees annually in accordance with the provisions of the ACA changes to the Federal Poverty Level designated by the US Department of Health and Human Services. The Federal Poverty Level for calendar year 2015 is \$127.50. The City shall contribute an amount not to exceed \$322.50 per month toward medical insurance. Employees shall not be allowed to enroll in any City-sponsored medical or vision plans but will be allowed to enroll in a City-sponsored dental plan as well as the plans offered by the Teamsters. Under no circumstances shall the City be required to pay any of the unused City contribution to the employee in cash.

The probationary period shall serve as the final phase of the examination process. It shall be utilized by the Appointing Authority as an on-the-job trial and evaluation of employees in new jobs.

The probationary period shall date from the first day of service after appointment to a part time benefited position from the eligible list and shall continue through the end of the pay period which includes one thousand (1,000) hours of actual service.
